Note: You must include allegations of wrongful conduct as to EACH and EVERY defendant in your complaint. (You may use additional sheets as necessary).

This is just the continuation of the FBI's abuse of authority and has very little to do with
a crime I committed. This is racism coupled with their immunity and they attack me with
unlawful tactics, clearly care nothing about my privacy. Law states the FBI is supposed to
protect the integrity of the investigation and the privacy of the subject. They have done
none of that, only thing they have done is to continue to lie to destroy my reputation and
now their next step in abuse, which is plainly criminal is to give me info to gangstalker

5.

CAUSES OF ACTION

Note: You must clearly state each cause of action you assert in this lawsuit.

FIRST CAUSE OF ACTION

Unknown agent(s) incited OGS to target me, stalk and invade my privacy. This is the mentality of the FBI, any thing illegal they will do because its not about a crime its about ruining my reputation, destroying my business and all sort of other disruptive strategies and this is the main reason i say this current FBI is not fit to do what the FBI is supposed to do. Donald Trump had it right when it came to the FBI.

SECOND CAUSE OF ACTION

Intentionally from day one violate my rights as if they dont exist. This Judiciary seems to want citizens to be law abiding but wont stand up for the citizens right, this is now how the constitution and the rule of law says how things are to be. I can see this country losing the rule of law and then we will see an end to peace in this country, maybe forever.

I PRAY FOR MY RIGHTS TO BE UPHELD TO GIVE DEMOCRACY A CHANCE

THIRD CAUSE OF ACTION

6. **PRAYER FOR RELIEF**

WHEREFORE, plaintiff(s) request(s) that this Court grant the following relief:
Monetary relief to be determined later. Plus a cease and desist order for the FBI to no
touch, look or feel of anything thats Kevin B Johnson. All family members the FBI
is to not contact or do any disruptive actions, no retaliation at all.

I declare under penalty of perjury that the foregoing is true and correct.
